## Please Sponsor the 100th Anniversary of the Fair

The Skamania County Fair & Timber Carnival is celebrating the 100th anniversary of the "Fair in the Gorge". We will welcome approximately 20,000 visitors to the beautiful Columbia River Gorge August 13th-17th to enjoy this historical fair.

The last original "free gate" fair in the Northwest offers carnival rides, entertainment, a variety show featuring local talent, food and commercial vendors, and 4-H and Open Class Exhibits and demonstrations. Our annual parade hits downtown Stevenson on Saturday while the Timber Carnival thrills throughout the weekend.

Your business would benefit greatly from sponsoring one of our events (Talent Show, Timber Carnival,) day, or location (Food Court, Beer Garden, Premium Entertainment Stage). Of course we can create a sponsorship which can suit your particular industry or interest.

The following is a list of different levels of sponsorships that we are hoping to achieve and the advantages you gain from your participation. Please take a moment to review this proposal and feel free to contact us if you have any questions.

Our first fair was held in 1908, and the tradition of people sharing their knowledge and skills has grown each year. In this spirit, we look forward to making this fair a monumental event to remember with you!
